About
Sami & Jannat

Sami & Jannat (S&J) BD Limited is newly formed company with a aim to be a professopnal apparel manu--facturer and exporters. To fulfill our future dream we have started with all over printing service only. It's a 100% export oriented fully automatic flat bed printing factory. We have well experienced textile engineers and operators to produce world class fabric print.

Quality is our main strength and we believe in long term relationship. We have the flexibility to meet the trend in all aspects of design, quality and other developments which are most desired by today's fashion conscious market. We do offer printing in all type of Kint and oven fabrics.

Fashion is an imposition, a reign on freedom.

What We Do

We produce world class fabrics printing for the export oriented garments factories. We are using Latest Fully Automatic Flat Bed Screen Printing Machine available in the world.

Presently we have Yujin 8100 (2018) new printing machine imported from South Korea which can produce best possible fabrics priting with quality.

We do have 5 chamber bruckner stenter made from Germany for finishing the fabrics. Besides, latest engraving machine for smooth engraving in screen for any design.

Why Choose Us

Printing Department

Our printing department consists a highly qualified experienced team of textile engerears and masters whose prime aim is to provide full satisfaction to our customer.

Color Department

Our color department update information on new color, chemical, products and disc for the best possible product.

Competitive Pricing & Quality Assurance

Our product constantly set new standards for excellence in the new industry. All fabrics are inspected by the highly qualified QC for maintaining our own standard.

Factory Evaluation

We value our customer ans maintain standard.we invite all our customer to evaluate our factory.

Environmental Friendly

We have latest technology ETP to make our waste water usuable again. It has been certified by the environmental department of Bangladesh.
